## Summary

I am an Artificial Intelligence & Data Science student passionate about Data Analytics and Python programming. I have hands-on experience with Python, NumPy, Pandas, Matplotlib, SQL, and Web Scraping. I enjoy working with data, cleaning datasets, performing analysis, and creating visualizations to generate insights. Currently, I am building practical projects and continuously improving my skills in Data Science and Artificial Intelligence. I am actively seeking internship and entry-level opportunities to apply my knowledge and grow as a Data Analyst and Data Scientist
